Dear AIPP Representative,

I am completing a doctoral dissertation at The Johns Hopkins University entitled "Turbulence: multiscale modeling and data intensive computing methodologies." I would like your permission to reprint in my dissertation the following work that I coauthored:

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publications of my dissertation by UMI Company. These rights will in no way restrict republication of the materials in any other form by you or others authorized by you. Your signing of this letter will also confirm that you own [or your company owns] the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.

Sincerely,

Jason Graham
