"Today we also celebrate the community of excellence and humanity that you shaped and strengthened while at Hopkins.... Tomorrow, your work begins anew."

- President Ron Daniels
The toughest thing about graduating for me, is that I don't know what I want to do next--well, I know what I'd like to do right now, and that, is to sing.

*Lucas Sand*

"...the path of optimism is not the easy path. In the end, you can't move to the future without changing yourself.

So, what is my advice to you? Maybe the best decision for you is to run away and join the circus ... but don't model yourself on one of the animals, performing tricks for the trainers who throw peanuts. Think independently ... be passionate about something ... and go where the learning will be most intense...

A remarkable new world is opening before all of us. Don't limit your options. Go out and grab it."

-Sam Palmisano
"The goal in life is to be solid, whereas the way that life works is totally fluid, so you can never actually achieve that goal."

-Damien Hirst

"Let us toil, Minerva, to rule our modern ways. Call here thy comrade, for the city is rich in every farthest clime. Yet, make all ages native to our time.

"O bless! Minerva, of the multiple images! The organizing hand that fast may bind straws of aimless aspiration.

"And men, and in the hall of every ear, the wise, the seeing eyes—"

"Enrich out of every farthest clime."

"Bring Milton, no more than the Freedom of the city.

"Bring the visionary seas back, a man and wise, to call from these,
