Dear Doctor Libman:

many thanks  
for your letter of the 15th inst.,  
and for the note from Professor  
Remsen accompanying it. I send  
you herewith certain resolutions  
to be submitted, on Wednesday even-  
ing next, to the Joint Commission  
of the Scientific Societies of Wash-  
ington. If a somewhat similar  
document could be signed by the  
different members of your faculty,  
jointly, it could not fail to  
prove helpful to us, not merely  
in Congress but in the creation  
of a favorable public sentiment.
