Dear Sir:-

Your favor with the minutes of the meeting of April 10th has been received and submitted to Mr. Jesup. There is but one comment that he makes and that is with reference to the resolution referring to the appropriation for the year. It reads as follows:-

" Resolved, That the distribution of this sum be the same as in 1894-95 with the exception of grants to the following institutions etc.etc.- the consideration of which is deferred until Dr. Curry's return. " Mr. Jesup says that his recollection is that " the consideration of which is referred to the Educational Committee " instead of " deferred until Dr. Curry's return. " Will you kindly have such correction made.

I enclose also for your reading a letter which Mr. Jesup has just received from Dr. Curry.

Yours respectfully,

*Blair Strong*
