MORRIS K. JESUP
44 PINE STREET.
NEW YORK.

May 13th, 1897.

Return to

Hon. D. C. Gilman, Esq.,
Baltimore, Maryland.

Dear Sir:

The Finance Committee held a meeting on May 11th, in accordance with the resolution of the Board, that the continuance of the work of Mrs. Hobson be left in the hands of the Finance Committee, and after due consideration the enclosed preambles and resolution were passed, as well as a resolution to give one thousand dollars to Bishop College this year, this last being in consequence of an appeal from the Rev. Mr. Wolverton from that College, accompanied by one from Doctor Curry.

I send the Minute Book today. It would have been sent before, but owing to my being so busy in connection with Mr. Jesup's near departure for Europe, it had to wait.

Yours respectfully,

Benj Strong

Clerk of the Slater Board.
