My dear Dr Gilman

Thanks for your
kind letter of the 15th.

I did not for a moment
mean to ask you personally
to contribute, but thought
you might know of
some friends whom you
would feel free to ask.

I will write to President
Hayes, as you suggest;

but have some hesitation
as to approaching Mr
Slater, as Dr Kaygood's
letter was written from
Norwich, and I have no
doubt he has seen him.

When you are there, at
Thanksgiving, if you think
it wise to see Mr Pierce,
please do so.

I think your suggestion, as to
the name of the Department a very
good one.

Very truly Yours

Pres. S. C. Gilman, &c. &c. W. E. Woodly

interest of the Fund,
