Clark University.

South Atlanta, Ga., June 19, 1895

John, D.C.
Gov. William J. Northen,

Dear Sir;

I am surprised that you received no answer to your communication. I replied that I had no authority to treat in the matter until I received instructions from the Society in Cincinnati, and that I had forwarded your letter for that purpose. I am annoyed at the delay, but they now have the matter under consideration, and I expect their reply in a few days. Just as soon as it arrives I will call on you and acquaint you with their decision.

Very Respectfully,

D. C. John,
