New York Nov 8/95
Mr D. E. Gilman

Dear Sir -

Relative to
the Lowell Exhibit, I understand
it to be something educational
An improved system of
cutting garments -

It would not in my
opinion, be easy to
properly class such an
exhibit, and I presume
it has been overlooked

Please inform me if
I can be of service in
the matter -

Perhaps it could be
examined in my office

Very Respectfully

M. A. Chase
