Dear Sir
You have been so very kind and generous in the matter of Samuel Cox to exhibit, that I will not presume to trouble you with a letter received ~~for~~ day from Mr Goodwin. The tenor of the letter is much the same as that received from Captain Everett. Mr Goodwin thinks that on some of the show cases there was more than one name and that our Jurors got hold of the wrong one.

I am relieved to find that only Honorable mention was given them.

Thanking You again for Your
great Kindness

Yours very truly
Wm. Chase
