R. Kippenberg, Esq.,

Dear Sir:-

I have received your  
note of September 9th., and I will  
send you what has been printed with  
respect to the System of Awards at  
Atlanta.

My endeavor has been to secure *the*  
~~A~~ co-operation of men who will be  
above any unworthy considerations  
in their actions as judges.

I cannot tell exactly how they.

will proceed when they come together  
but I suppose that they will make  
awards for positive excellence with-  
out inviting competitive trials.

The time allotted is short, the  
number of Jurors is small, the dif-  
ficulty of making fair tests ~~is not~~ great  
that I do not see how any plan can  
be thoroughly satisfactory. At  
the same time, I shall be very glad  
to receive suggestions from you.

No judges have been appointed  
thus far for wines and beers.
