My dear Sir.

Kindly advise
me in regard to the time
for the Judges to report in
Atlanta, if there is to be any
delay from October 16th.

Also, please, the details
of arrangements as to mileage,
and expenses, etc, this may
all be in printed form, but
I have only seen circular on
"System of Awards".

I am very busy, and

while very glad to serve the
necessary time, every moment
must tell on some contract
work here, until I am needed
for actual work.

Truist Respectfully
Yours-
