OFFICE OF THE

SOUTH CAROLINA COMMISSIONER.

Columbia, S. C., August 6, 1895.

Hon. C. A. Collier,
President and Director General,
Atlanta, Ga.

Dear Sir:-

I would respectfully recommend for appointment as one of the judges in Department "A" Philip E. Chazel E.M. from Charleston, S.C. Mr. Chazel is an A.B., College of Charleston, 1876. Graduated minning and engineer school of mines Columbia College, New York City, 1881. Engaged in minning prospecting north Georgia eighteen months. Elected State Chemist of South Carolina 1883. Held position until November, 1888. Resigned and became partner in Sheppard Labratory, Charleston, S.C. where has been since actively engaged in phosphate and fertilizers. Held position of professor of Chemistry and Physisics in College at Charleston for one year ending June, 1893. He resigned on account of pressure of private business. Judge in Department in mine and minning at Chicago Exposition, 1893'

I take pleasure in endorsing Mr. Chazel, satisfied of his competency to discharge the duties.

Yours truly,

E. L. Roche

Commissioner.
