Dear Sir:- I wrote to you on July 2nd., in regard to being appointed as a member of the Committee on Awards in the Agricultural Department of the exposition.

I should like to serve in that capacity, having had a vast amount of experience, and if you desire them, I will be glad to file endorsements from the best people of our State.

Trusting that I may have the honor and pleasure to hear from you further upon this subject, I remain,

Very Respectfully,

Oliver D. Schock
