Moderato con moto

She brings you a new smile
For new lovers
do smile;
She tempts you and you smile,
A new love is told. She brings you some

new thrills, Some tender and true thrills; But after a

few thrills, A new love is old.
Poco più animato

When two alluring eyes, when two reassuring eyes implore you;

And when you understand sweet arms full of wonder stand before you,

Take what she offers and be gay; Love hates a man who runs away.

Hot eager lips can smother thoughts, that recall another day.
She brings you a new smile—For new lovers do smile;

She tempts you and you smile,—A new love is told.

She brings you some new thrills,—Some tender and true thrills;

But after a few thrills—Your new love is old.
