Dear President Gilman:

Your note of the 15th with its
enclosure followed me to this mountain
resort, where I remain with some
friends for perhaps two weeks longer.

I have to acknowledge the check,
but with far more pleasure the very
kindly expressions which accompanied it,
and which will stay longer in my
memory than the other in my pocket.
The whole experience at the University has
been delightful to me. The quick,
appreciative and responsive intelligence
of the Class was itself a reward.

The work you are doing at Johns Hop-
kins I had heard was great; but it
now seems to me greater than ever
before. I shall hope to see you
at Mt Desert late this Summer.

With many thanks for your
personal attentions, I shall
remain always, &

Very faithfully yours,

John Wilson
