My Dear Sir,

Your note of invitation Aug¹
has just come to hand.

I know of no meeting it would give
me more pleasure to attend than that
to which your invitation refers. The August
Term of the Sup. Court in this County will
commence at Danbury on Tuesday the
8th inst, and professional duty in Court
will probably claim my attention during
the week. If I can consistently with other
and previous engagements attend in New
Haven on Thursday I will surely do so.

Meanwhile I remain

as ever Very Respectfully Yours
Roger Smith

Dear Sir

Your notification of
a Teachers Institute to be held in Stamford
next Wednesday has just come to hand.
I regret I shall be unable to attend
owing to business in connection with that day
which will require my presence. The Acad
Term in this County will commence on
Tuesday. If later in the week I can I
will attend some of the Exercises

Truly Yours

My Dear Sir

I am suffering from a severe
cold and have not deemed it
prudent to leave the house today.
If I should not attend the meeting
of the Board tomorrow morning you will
naturally attribute my absence to the
same cause. Sincerely yours
Roger Merrill

Dorling December 8. 1885

Prof O. C. Gilman,
My Dear Sir.

I have just received
your notice to attend a meeting of
the Board of Education at New Bedford
next Monday. I hope to be able to
attend the meeting, or at least
to attend an evening session of
the Board if one shall be held. I
find to my great regret, that an
official appointment has been made
for me, at 1/2 past twelve on Monday
at N.Y. and I may deem it expedient
to go first to New York and then
to New Bedford.

I greatly regretted, on my own
account my inability to attend the
late meeting in New Britain, but
my family & Physician decided it
would be imprudent for me to do so.
Truly Yours Roger Morris
