Dear Lester:-

Enclosed you will find the card that was
part of the book of Confederate songs.

This is a very rare thing indeed and I
suggest that you get a little envelope and paste it on the
back of the front cover so that the card does not fall out.
I am sending this to you particularly well wrapped as I
don't want you to tear it in opening up the letter.

I think this is an unusually rare bit of
Confederatiana and it would tickle me if you went to one
Confederate dealer in Baltimore - I think it is "The
Southern Book Store" - and find out about the value. This
time I am really curious.

All best wishes.

Sincerely,

Elliott Shapiro.
